

# Driven Under

Seether

Do you think I'm faking  
When I'm lying next to you?  
Do you think that I am blind?  
There's nothing left for me to lose  
Must be something on your mind  
Something lost for me to find  
Do you know I'm faking now?

Do you know I'm faking  
When I'm lying next to you?  
Do you know that I am blind  
To everything you ever do?  
Must be something on your mind  
Something lost for me to find  
Do you know I'm faking?

'Cos then she told me she had a gun  
It sounded like she'd used it  
Once before on him  
Then she told me she had a gun  
It sounded like she'd used it  
Once before, oh, man

I guess you know I'm faking  
When I tell you I love you  
I guess you know that I am blind  
To everything you say and do  
Must be something on my mind  
There's nothing left for me to hide  
Do you know I'm faking?

'Cos then she told me she had a gun  
It sounded like she'd used it  
Once before on him  
Then she told me she had a gun  
It sounded like she'd used it  
Once before, oh, man

We have to succumb to  
The feelings we can never face  
I need you, I breathe you  
I can't go through this all again

We have to succumb to  
The feelings we can never face  
I need you, I breathe you  
I can't go through this

'Cos then she told me she had a gun  
It sounded like she'd used it  
Once before

'Cos then she told me she had a gun  
It sounded like she'd used it  
Once before on him  
Then she told me she had a gun  
It sounded like she'd used it

Once before, oh, man

Then she told me she had a gun  
She says she wants to use it  
On me now
