Driven Under

Do you think I'm faking When I'm lying next to you? Do you think that I am blind? There's nothing left for me to lose Must be something on your mind Something lost for me to find Do you know I'm faking now?

Do you know I'm faking When I'm lying next to you? Do you know that I am blind To everything you ever do? Must be something on your mind Something lost for me to find Do you know I'm faking?

'Cos then she told me she had a gun It sounded like she'd used it Once before on him Then she told me she had a gun It sounded like she'd used it Once before, oh, man

I guess you know I'm faking When I tell you I love you I guess you know that I am blind To everything you say and do Must be something on my mind There's nothing left for me to hide Do you know I'm faking?

'Cos then she told me she had a gun It sounded like she'd used it Once before on him Then she told me she had a gun It sounded like she'd used it Once before, oh, man

We have to succumb to The feelings we can never face I need you, I breathe you I can't go through this all again

We have to succumb to The feelings we can never face I need you, I breathe you I can't go through this

'Cos then she told me she had a gun It sounded like she'd used it Once before

'Cos then she told me she had a gun It sounded like she'd used it Once before on him Then she told me she had a gun It sounded like she'd used it Once before, oh, man

Then she told me she had a gun She says she wants to use it On me now
