

## Fade Away

Seether

I wanna be there when you call  
I wanna catch you when you fall  
I wanna be the one you need  
I wanna be the one you breathe

Today's the day we'll fade away, oh  
Today's the day we'll fade away, oh  
Today's the day we'll find our way grown  
Today's the day we'll fade away

I wanna be there when you cry  
And when you're down I'll help you fly  
I wanna be the one you need  
I wanna be the one you breathe

Today's the day we'll fade away, oh  
Today's the day we'll fade away, oh  
Today's the day we'll find our way grown  
Today's the day we'll fade away, oh

But I'm coming back,  
and I'm taking back everything I can  
It's breaking me up and tearing me up  
It's all I have  
And I'm coming back,  
and I'm taking back everything I can  
It's breaking me up and tearing me up  
It's all I have

Today's the day we'll fade away, oh  
Today's the day we'll fade away, oh  
Today's the day we'll find our way grown  
Today's the day we'll fade away, oh  
Today's the day we'll fade away, oh  
Today's the day we'll fade away
