

# Fake It

Seether

Who's to know if your soul will fade at all  
The one you sold to fool the world  
You lost your self-esteem along the way  
Yeah

Good god you're coming up with reasons  
Good god you're dragging it out  
Good god it's the changing of the seasons  
I feel so raped  
So follow me down  
And just fake it if you're out of direction  
Fake it if you don't belong here  
Fake it if you feel like affection  
Woah you're such a fucking hypocrite

And you should know that the lies won't hide your flaws  
No sense in hiding all of yours  
You gave up on your dreams along the way  
Yeah

Good god you're coming up with reasons  
Good god you're dragging it out  
Good god it's the changing of the seasons  
I feel so raped  
So follow me down  
And just fake it if you're out of direction  
Fake it if you don't belong here  
Fake it if you feel like affection  
Woah you're such a fucking hypocrite

Whoah  
Whoah

I can fake with the best of anyone  
I can fake with the best of em all  
I can fake with the best of anyone  
I can fake it all

Who's to know if your soul will fade at all  
The one you sold to fool the world  
You lost your self-esteem along the way  
Yeah

Good god you're coming up with reasons  
Good god you're dragging it out  
Good god it's the changing of the seasons  
I feel so raped  
So follow me down  
And just fake it if you're out of direction  
Fake it if you don't belong here  
Fake it if you feel like affection  
Woah you're such a fucking hypocrite

Fake it if you're out of direction  
Fake it if you don't belong here  
Fake it if you feel like infection  
Woah you're such a fucking hypocrite
