

# Fallen

Seether

She's wearing dresses on the borderline (look again)  
Awaking senses that were lost in time (make amends)  
This liberation is the one they'll love for ages  
Hey man I seen it coming...yeah.

Just cut those dresses make you look so fine (you're a ten)  
But I'll make certain you'll look so divine (I'm your man)  
This generation wont forgive those signs of aging  
Hey man I see they're coming...yeah.

I got my ticket for the next make-over  
I got my ticket for a stolen bride  
I believe (yeah), I believe (yeah), I believe in the fallen  
I believe (yeah), I believe (yeah), I believe in the calling.

They got injections for the facial lines (make amends)  
Break out the scalpel keep the nose defined (look again)  
The crucification of the love we've known for ages  
Hey man I seen it coming...yeah.

You're much too pretty you don't need your mind (just pretend)  
Just pack the knowledge that your heart desires (now and then)  
A resurrection of the shallow and the vapid  
Hey man I seen it coming...yeah.

I got my ticket for the next make-over  
I lost my taste for this, I'll keep my pride  
I believe (yeah), I believe (yeah), I believe in the fallen  
I believe (yeah), I believe (yeah), I believe in the calling  
REJECT!

I got my ticket for the nest make-over  
I lost my taste for this, I'll keep my pride  
I believe (yeah), I believe (yeah), I believe in the fallen  
I believe (yeah), I believe (yeah), I believe in the calling  
I believe (yeah), I believe (yeah), I believe in the fallen  
I believe (yeah), I believe (yeah), I believe in the calling.
