Safe to Say I've Had Enough

Seether

What you seek is inside you
But you can never get enough
Words can't define you
The pig that grovels in a trough
Pain is a virtue
You wear it like a silken glove
Burn the ones around you
It's safe to say I've had enough

It's safe to say I've had enough

Stand with me
Singing as you cut me down
Stand with me
It's safe to say I've had enough
Stand with me
Singing as you cut me down
Stand with me
It's safe to say I've had enough

The meek can't defy you
So run them down and use them up
Nothing left inside you
An empty shell who's talking tough
God let me chain you
I'll keep you in a silver box
Break my promise to you
Until you've broken down enough

Until you've broken down enough

Stand with me
Singing as you cut me down
Stand with me
It's safe to say I've had enough.

Stand with me
Singing as you cut me down
Stand with me
It's safe to say I've had enough.

you are my suicide
the one who loaded my gun

you are my suicide
the one who loaded my gun

you are my suicide
the one who loaded my gun

you are my suicide
the one who loaded my gun

It's safe to say I've had enough

Stand with me
Singing as you cut me down

```
Stand with me
It's safe to say I've had enough

Stand with me
Singing as you cut me down
Stand with me
It's safe to say I've had enough

Stand with me
It's safe to say I've had enough
Stand with me
It's safe to say I've had enough
Stand with me
It's safe to say I've had enough
Stand with me
It's safe to say I've had enough
```
