

# Tied My Hands

Seether

Can you remember when  
When we used to live  
Never in distress?  
Or can you picture then  
Only used to pride  
Ourselves on neatness?

I can't understand  
What you meant to me  
Made me wild  
Then you tied my hands  
You tied my hands

Can you remember when  
When we used to laugh  
At those mistakes we made?  
Can you picture then  
How we used to drive  
And never reach the end?

'Cos I can't understand  
What you meant to me  
Made me wild  
Then you tied my hands  
You tied my hands

Since you went away  
Made me find  
I have nothing to say  
Since you went away  
Made me find  
I have nothing to say

'Cos I can't understand  
What you meant to me  
Made me wild  
Then you tied my hands

'Cos I can't understand  
What you meant to me  
Made me wild  
Then you tied my hands

You tied my hands  
You tied my hands  
You tied my hands  
You tied my hands  
You tied my hands  
You tied my hands
