

# Threshold Of Glory

Selah

We push back the gates, we open the door  
Together we come to meet with you Lord  
Yes, we push back the gates, we open the door  
Together we come, oh to meet with you Lord

Here we are at the threshold of glory  
Every eye now focused on you  
The heart in my chest beats wildly  
As each step bring us closer to you

Magnificent one  
Merciful judge  
We rejoice and sing  
In the favor of our God

We push back the gates, we open the door  
Oh together we come to meet with you Lord  
We push back the gates, we open the door  
Together we come, oh to meet with you Lord

Here we are at the threshold of glory  
Every eye now focused on you  
The heart in my chest beats wildly  
As each step bring us closer to you

Magnificent one  
Merciful judge  
We rejoice and sing  
In the favor of our God

Omnipotent love  
Almighty friend  
You are always just  
You are always good  
Your kingdom has no end  
Magnificent one

(Magnificent, magnificent, magnificent)  
Magnificent one (magnificent)  
Magnificent one  
Merciful judge  
We rejoice and sing  
In the favor of our God

Omnipotent love  
Almighty friend  
You are always just  
You are always good  
'Cause your kingdom has no end  
Magnificent one

(Magnificent, magnificent one)  
Oh magnificent on  
(Magnificent one)  
Oh magnificent one
