

As A Blonde

Selena Gomez & the Scene

1. I was looking in the mirror
trying to find a new reflection
Wanna take the road less traveled
in a different direction
Make some new mistakes
forget the ones I made
Cry some tears of joy
dress more like a boy

R: And come back as a blond
try a different lipstick on
as a blond will I get
whatever I want?
I'd be ever so incising
take a lot of icing never
have to watch my weight
Yeah when I'm gone
I'm gonna come
back as a blond

2. I wanna meet myself
as someone else
just to see what it feels like
Take a walk, on the other side
cause you know that I just might
Break some different
hearts finish what i start
I'm not gonna wait and
mess around with fate.

R: And come back as a blond...
... I'm gonna come back as a...

*: I'm tainted I'm tired of
being the same yeah
I'm desperate I'm bored
I'm begging for change
What if you're normal
and wanna be strange?
Come back come
back come back
I wanna come back
come back come back

R: And come back as a blond
try a different lipstick on
as a blond will I get
whatever I want?
I'd be ever so incising
take a lot of icing never
have to watch my weight
Yeah when I'm gone

R: I'm gonna come
back as a blond
Wave my magic wand
as a blond will I

get whatever I want?
I'd be ever so incising
down a lot of ice cream
never need to wash my face
Yeah when I'm gone I'm gonna

Come back come back
come back (i'm Gonna come back)
Come back come back
come back (I'm Gonna come back)
Come back come back
A D (držet)
come back As a blond
