

Falling Down

Selena Gomez & the Scene

D G7sus2/F Cadd9 G F# x4

1. You walk and talk like you're some new sensation
You move in circles, you don't need an invitation
You spend your money - you can't get no satisfaction
You play it right so you can get the right reaction
It won't be long, my darling
Pick up the phone - nobody's on it
Where are your friends now, baby
All of the ones supposed to be there for...

R: You, you
When you're falling down
The world starts spinning out
You, you
When you're falling down
Now it's not all about
You, you
When you're falling down
You know I'll be around
When you're falling down, falling down

2. What's outta place when you look into the mirror
The truth is blurry but the lies are getting clearer
Your eyes are fixed - your smile is so elastic
You give me roses but they're all just made of plastic
It won't be long, my darling...

R: You, you...

*: Smile for the camera, everybody's looking at ya
Smile for the camera 'cause they're all about to trash ya
Smile for the camera
Smile for the camera
Who's gonna catch ya...

R: You, you...

*: Smile for the camera, everybody's looking at ya
Smile for the camera 'cause they're all about to trash ya
