1. I Know That My Love  
For You is Real, it's the truth  
That we do something  
natural That I feel  
When you walk in the room  
or your near  
I feel my heart skip a beat  
the whole world disappears

Then there's just you and me  
falling head over feet  
lets take a chance together

- R: I know I know  
I know I know we're  
gonna make it cause no one else can  
make me feel the  
way that you do I promise you  
I know I know  
I know I know we  
gonna get there  
today tomorrow and  
forever we will stay true I promise you

2. They say that "we're just too young"  
to know but I'm sure heart  
and soul that I am  
never letting you go  
when its right its right  
and this is it  
cause I'm walking on air  
every time that we kiss

You make the angel sing  
you give those  
song birds rings  
you make everything better

- R: I know I know...

- \*: I'll never let you down  
I'll always hear you out  
and there is nothing you can mount cause  
you listen when i speak  
you make my knees go weak  
and i just want you by my side

- R: I know I know...

We're gonna make it  
I promise you  
yeah yeah yeah  
I promise you  
I promise you  
B (držet)
