

Intuition

Selena Gomez & the Scene

1. I feel like i'm walking in the sky
Woah, Woah
Yesterday tears were in my eyes
Woah, Woah
What a bad day
Yeah, i've been there before
But, I keep my head up
So, I don't have those anymore
I made a choice to be the best that I could ever be
Gotta stay positive, Ignore the negativity

R: Gonna follow my intuition
Tell myself to listen
Everythings gonna be okay
It's gonna be a good day
Oh, oh, oh, uh, oh, oh, ohhh
Uh, oh, ohhh
It's gonna be a good day
Follow my intuition
It's gonna be a good day
2. I gotta go with what feels right
Woah, Woah
Don't always need a reason why
Woah, Woah
What's the problem?
Compared to the weight of the world
Quit tryin' to please every man, woman, boy and girl
Better pick up the pace
There ain't no time to waste
Tomorrows never promised
So I started livin' for today
R: Gonna follow my intuition...
- *: All I know is that I just gotta let go
Gelic come back, it's always easy to know
Sometimes it just gets so confusing
Feel like I don't know what i'm doing
But, I trust in my heart and in the end
It turns out that we are better than anything
See what's meant to be is gonna happen
You know it's gonna be a good day
R: Gonna follow my intuition...
