

# My Dilemma

Selena Gomez & the Scene

1. You make me so upset sometimes  
I feel like I could lose my mind  
the conversation goes nowhere  
cause you never gonna take me there  
and I know that I know  
and I know you're no good for me  
yeah, I know, that I know  
and I know it's not meant to be

R: Here's my dilemma  
one half of me wants you  
and the other half wants to forget  
my my my dilemma  
from the moment I met you  
and I just can't get you out of my head  
and I tell myself to run from you  
but I found myself attracted  
to my dilemma my dilemma  
it's you it's you

2. Your eyes have told a thousand lies  
but I believe them when they look in mine  
I heard the rumours but you won't come clean  
I guess I'm hoping it's because of me  
yeah I know, that I know  
and I know it's not meant to be

R: Here's my dilemma...

\*: I could live without you  
your smile your eyes  
the way you make me feel inside  
I could live without you  
but I don't wanna  
I don't wanna

R: Here's my dilemma...
