

Naturally

Selena Gomez & the Scene

1. How you choose to express yourself

It's all your own and I can tell
It comes naturally, it comes naturally
You follow what you feel inside

It's intuitive, you don't have to try
It comes naturally, it comes naturally
And it takes my breath away
What you do so naturally

R: You are the thunder and I am the lightning
And I love the way you
Know who you are and to me it's exciting
When you know it's meant to be
Everything comes naturally, it comes naturally
When you're with me baby
Everything comes naturally, it comes naturally
Bay bay baby

2. You have a way of moving me
A force of nature your energy
It comes naturally, it comes naturally
And it takes my breath away
What you do so naturally

R: You are the thunder and I am the lightning...
... Bay bay baby

*: When we collide, sparks fly
When you look in my eyes
It takes my breath away

R: You are the thunder and I am the lightning...

Naturally, naturally, naturally
Bay bay baby
Naturally, naturally, naturally
Everything baby comes naturally
