- 1. You've been riding this horse a long time Why can't you find what you've been looking for? Always greener on the other side Always believing there must be something more Never stay very long anywhere As the next girl you leave gets smaller In your rear-view mirror
- R: You're an Outlaw
  You're an Outlaw
  You're an Outlaw running from love
  You're an Outlaw
  You're an Outlaw
  You're an Outlaw running from love
  If you tear her world apart
  You have no regrets
  If there's a key to your heart
  No one's found it yet
  You're an Outlaw
  You're an Outlaw
  You're an Outlaw
  You're an Outlaw
- 2. Your reputation's getting out of control I can't believe she believes one word you said Before I let you take my girlfriend home I've got to warn her about the price on your head It must feel so alone out there Always running away from someone But you get nowhere
- R: You're an Outlaw...
  ... You're an Outlaw running from love
- \*: I'm from the Lone Star State
  I'm ready to bring you in, oh
  I'm gonna seal your fate
  Make you pay for all of your sins, oh, oh-oh
  You've been riding this horse a long time
  I've had my eye on you all night
  I'm gonna find a way to make you mind
  I know, even though...
- R: You're an Outlaw...
  ... You're an Outlaw running from love
  Stop runnin'
