

Round & Round

Selena Gomez & the Scene

Round and Round (4x)

1. You see me standing there
And act like you dont know me
But last night you were calling me
Saying you want me
Oh why you always make me feel
Like I'm the one that's crazy
You feel my heart racing
My-my heart racing

Boy, I need you here with me
We can't go on this way
I'm falling hard for you
And all I can say

- R: We're going round and round
We're never gonna stop
Going round and round
We'll never get where we are going
Round and round
Well your gonna miss me
Cause I'm getting dizzy
Going round and round
Round and round

2. You tried to pull me close
And whisper in my ear
You always told me lies
I cried out all my tears
I pushed my feelings to the side
But then you bring them back
B-bring them back
Now you got me singing

Boy, I need you here with me...

- R: We're going round and round...

3. Love me or Love me not
I'm starring at the clock
I take them flower petals off
And then I watch them drop
Love me or Love me not
I'm starring at the clock
I take them flower petals off
And then I watch them drop

Boy, I need you here with me...

- R: We're going round and round...
