

# Spotlight

## Selena Gomez & the Scene

1. I can tell by the way you feel,  
Somethin' ain't goin' your way  
Jeans too tight and your hair ain't right,  
We all get some of those days  
Ohh, throw that mirror away  
Ohh, you know it's gonna be okay

Take it down, shake it out,  
On the floor  
You'll get over it,  
Let it drop, make it stop, Ohh

R: When you feel like nothing, everybody's something  
You and your friend  
Everybody jump in, look at us now  
Everybody shout out, Ohh  
In the spotlight,  
No matter what's your outside,  
Get it with your inside  
Open your eyes, you deserve the spotlight  
Don't be from them, everybody's something, ohh

Ooh, In the spotlight  
Ooh, In the spotlight  
Ooh, In the spotlight  
Ooh, In the spotlight

2. Gettin' up, oh worn my face  
Wish I could press delete  
We all got something we don't like  
Even Angelina Jolie  
Ohh, throw that mirror away  
Ohh, don't be goin' M.I.A

Take it down, shake it out,  
On the floor  
You'll get over it,  
Let it drop, make it stop, Ohh

R: When you feel like nothing...

3. I can tell by the way you talk the talk  
That somethin' ain't goin' your way  
'Cause your jeans too tight and your hair ain't right  
Well we all get some of those days  
Just take another deep breath, try to hit your reset  
You know that I can relate  
Put your hands in the air  
Now let me hear you shout out  
Well get out of my way

Take it down, shake it out,  
On the floor  
You'll get over it,  
Let it drop, make it stop, Ohh

R: When you feel like nothing...
