1. Is it alright, if I'm with you for the night
Hope you don't mind, if you stay by my side

We can drive in your car, somewhere into the dark
Pull over and watch the stars
We can dance, we can sing, do whatever you think
As long as I'm with you

- R: When we are together it's the time of our lives
We can do whatever, be whoever we'd like
Spend the weekend dancing cause we sleep when we die
Don't have to worry about nothing
We own the night! (ah-ah-oh) (ah-ah-oh)
We own the night!

2. It's all a blur,
It's getting late but I don't care (I dont care)
And I don't know where we'll end up
And that's okay
We can drive in your car...

R: When we are together...

- *: Nothing lasts forever
Let's live it up when we're together
Nothing lasts forever
So let's live it up, just do whatever (do whatever)

R: When we are together...

- R: When we are together...
... We own the night! (ah-ah-oh) (ah-ah-oh) (I just told you)
We own the night! (ah-ah-oh) (ah-ah-oh) (I just told you)
We own the night!
