

# Bang a Drum

Selena Gomez

You caught my eye and I'm tryin' to holler at 'cha  
You're walkin' by and I trip on the furniture  
I'm on a ride that won't stop movin'  
And I don't know exactly what I'm doin'

I see you shake, shake and I'm spinnin'  
It's like I won the race, yeah I'm winning  
I'm all dizzy when you're here with me  
So let's bring the heat

'Cause there ain't nothing to it, just got to do it  
You've got to own it, own it

Welcome to the beat of your own drum  
And you got it like that, burn it up like that  
Welcome to the beat of your own drum  
If you got it like that, yeah, it's hot like that

Eh, eh, yeah, I'll will make you say, eh, eh  
So bang a drum, bang a drum

You got me floatin' ten feet off the ground  
It's like whoa, I'm not backin' down  
My hearts pumpin' and it's workin' over time  
I got the crazy butterflies

We're doin' it right when we're together  
With you by my side it only gets better  
Your on my team, we got it figured out  
It's you and me no doubt

There ain't nothing to it, just got to do it  
You've got to own it, own it

Welcome to the beat of your own drum  
If it's hot like that, burn it up like that  
Welcome to the beat, you gotta dip it down low  
If you got it like that, yeah, it's hot like that

Eh, eh, yeah, I'll will make you say, eh, eh  
So bang a drum, bang a drum  
Yeah, bang a drum, turn it up, bang a drum  
Yeah, bang a drum, turn it up, bang a drum

You caught my eye and I'm tryin' to holler at 'cha  
You're walkin' by and I trip on the furniture  
I'm on a ride that won't stop movin'  
And I don't know exactly what I'm doin'

It's like I won the race, yeah I'm winning  
I'm all dizzy when you're here with me  
So let's bring the heat

There ain't nothing to it, bang a drum  
Just got to do it, bang a drum  
You've got to own it, own it

Welcome to the beat, you gotta dip it down low

Welcome to the beat of your own drum

So bang a drum, bang a drum  
Yeah, bang a drum, turn it up, bang a drum  
Yeah, bang a drum, turn it up, bang a drum  
Bang a drum, turn it up, bang a drum  
Yeah, bang a drum, turn it up, bang a drum
