

# A Million To One

Selena

A million to one, that's what our folks  
Think about this love of ours  
A million to one, they say that our love  
Will fade like yesterday's clouds

They're betting everything  
That our love, won't survive  
They're hoping in time  
We'll forget each other's lives

A million to one, they say that  
We're too young to know the meaning of love  
A million to one, that they've forgotten  
The dreams that we're dreaming of

But we'll forgive them, because we love them  
After all that's said and done  
There's one in a million, a million to one

A million to one, they say that  
We're too young to know the meaning of love  
A million to one, that they've forgotten  
The dreams that we're dreaming of

But we'll forgive them, because we love them  
After all that's said and done  
There's one in a million, a million to one  
A million to one, a million to one
