With all the force behind a driving engine When all your homies focus their opinion No conformation, found you floating underwater when..

She's so binocular She's so binocular Bet you ya knock her up (2x)

When all the angels plotted their descention From the heavens down to the dirt Found the devil lighting fire underwater when..

She's so binocular She's so binocular Bet you ya knock her up

Candy coated superballs
Hail upon uncompleted malls
If it amounts to anything at all
I was drunk when i agreed to this

With all the force behind a driving engine When all your homies focus their opinion No conformation, found you floating underwater when..

She's so binocular She's so binocular Bet you ya knock her up
