

## Hey, Lou

Self

Hey, Lou  
Hey, Lou  
Redundancy repeats itself exponentially  
Nobody wants to hear you say  
Over and over and over and over...

You think it's simple as that  
Well, some things are  
But not this little golden rover  
Take it on the chin, pow!  
Hey, Lou... pow!

Hey, Lou  
The pain was euphoric  
I couldn't help it  
The adrenaline made it near impossible  
To think, to speak, wish, die, help me stop this  
Hey, Lou
