Hey, Lou

Hey, Lou Hey, Lou Redundancy repeats itself exponentially Nobody wants to hear you say Over and over and over...

You think it's simple as that Well, some things are But not this little golden rover Take it on the chin, pow! Hey, Lou... pow!

Hey, Lou The pain was euphoric I couldn't help it The adrenaline made it near impossible To think, to speak, wish, die, help me stop this Hey, Lou
