

## Nine Lives

Self

You can be my headcase  
you can be held accountable  
you can act so surprised  
use your 9 lives  
over and over until they've gone away

If you have no money  
i will be your currency  
you can spend your 9 lives  
cat eyes  
over an over until they're all gone

Over and over until they're all gone
