## **What A Fool Believes**

He came from somewhere back in her long ago The sentimental fool don't see Trying hard to recreate what had yet to be created Once in her life She musters a smile for his nostalgic tale Never coming near what he wanted to say Only to realize it never really was

She had a place in his life He never made her think twice As he rises to her apology anybody else would surely Know he's watching her go

What a fool believes He sees no wise man has the power to reason away What seems to be is always better than nothing And nothing at all...

Keeps sending him somewhere back in her long ago Where he can still believe there's a place in her life Someday, someway she will return
