

Once in a while

Sem tam

1. Once in a while I see your smile
Brightening an unfamilliar face
And out of the crowd I hear the trace of your voice
Every once in while.

2. It might be a shaft of the morning light
Soft as a shadow at my side
And my blood rises at my side
Every once in a while.

- R: The memory lives
and memory gives you to me through tears and smiles
I´m thankful through the yers and smiles
That you´r mine.
Every once in a while.

3. Many of years go passing by
When you never cross my weary mind
Then just like a gift I suddenly find you there
Every once in a while.
