

Credo Insanity (Intoxicated)

Semargl

I want to be a martyr
Crucified on altar
I want to be a sheep
In a herd of shepherd
I want to be a coward
To hide behind you
I cannot be free
Sickness inside me

Intoxicatedby god

So please, please give me a pain
I am happy, I am insane
Please, please show me the way
On my knees, I am in pray
Hide me, behind your back
Fear twisting around my neck
I cannot be free
Sickness inside me

Intoxicatedby god
