

Join In Fire

Semargl

Only "dead" don't f**k the sluts,
Only "dead" don't like the drugs,
Just "dead" did not listen to rock'n'roll.
Play with fire, deceive the fate,
Break the rules with a profane hate,
Walk on razor, stay crazy,
follow me in hell.

Join in fire,
Come burn with me,
Release desires,
Enjoy with me.

Only "dead" slaves to the gods,
Only "dead" lust delights,
Only "dead" despise rock'n'roll.

Play with fire, deceive the fate,
Break the rules with a profane hate,
Walk on razor, stay crazy,
follow me in hell.
