

My little darling it's a crying shame,
The way that you lead me on,
And I've got nobody but myself to blame,
'Cause I've always just played along.

Well show me a body that gets no love,
And I'll show you a body that's way messed up,
Well it seems like you're aware,
Of the effect you have on my head.

If you feel like I'm asking you for too much,
We can keep in touch,
And I'll find someone else to bed, bed,
Find some, find someone else to bed, bed, bed,
Find someone else.

My little darling I'm a tangled mess,
When you tease me the way you do,
& what it would be like I can only guess,
If you'd please me like I wanna please you.

Well show me a friendship that's pure and chaste,
And I'll show you an engine that's dying to race,
Well the time has come for me to find,
Another way to get my soul fed.

I know we could be the sweetest friends,
But if that's where it ends,
I've got to find someone else to bed, bed,
Find some, find someone else to bed, bed,
Find some, find someone else.

Well the time has come for me,
To take care of myself instead,
You know if we remain,
On a spiritual plane I will go insane,
Don't make me find someone else to bed, bed,
Don't make me find someone else,
Find someone else to bed,
Oh yeah, oh yeah, oh yeah, oh yeah, oh yeah,
Find someone else to bed, bed, bed,
Find some, find someone else to bed, bed,
Find some, find someone else,
My little darling it's a crying shame,
I've got to find someone else,
Find someone else to bed,
And I've got nobody but myself to blame,
Find someone else to bed.
