

# Calling

Sengir

Is it everlasting,  
the love that we share in our hearts  
In times of sorrow  
you better take my hand before this world gets older

These words are killing me  
and I can't give up the fight  
Forsaken dreams  
My love has been denied  
I am dying, crying and calling out to you

Now don't you worry?  
Days like these they will come and they will go  
But I won't grow any stronger relying on your empty words  
I need to feel you, I need to hear you  
Like there is no tomorrow

There is no escape,  
when I fear for you I will die for you  
There is no reward,  
when I fear for you I will die for you

These words are killing me  
and I can't give up the fight  
Forsaken dreams  
My time is running out  
I am dying, crying and calling out to you
