I got up, made it through thy day
I thought of what I want to say, I know I will lie to try
Just to win you back so you?ll cry
When I hurt you back, it?s your turn to the burn

?Cause it helps me move on Like you said, you did It helps me be strong Like I heard, you were

Doing great, I can?t help but to feel replaced I know I, I try to hide, it shows in my face When I, see who took my place You?ll learn to burn

?Cause it helps me move on Like you said, you did And it helps me be strong Like I heard, you were

No I don?t want to meet you to talk So stop coming by my work I don?t want to see you

No I don?t want to pretend Like everything?s good in the end I still don?t believe you

I woke up and made it through the day
I thought of what you always say
And silence doesn?t ease the pain
Violence wouldn?t solve a thing
I?ll learn to burn, I?ll learn to burn
I?ll learn to burn

?Cause it helps me move on Like you said, you did And it helps me be strong Like I heard, you were
