

Wondering Time

Sense Field

You're the only one who understands
You're the only one who understands
The weight of this moment
The weight of this day
You're the only one who understands
Here in wondering time in wondering time I'm wondering
If all I ever needed was someone to say
If all I needed was someone who reminded me,
If all I needed was someone who, who reminded me
If all I needed was someone who, who reminded me
If all I needed was someone who, who reminded me
Someone to say,
Reminding me, someone and someone to say
You're the only one who understands
You're the only one who
Understands me
