

"The cave you're afraid to enter holds the treasures
you seek"

Your flesh, my bones, young hearts, old souls

"The cave you're afraid to enter holds the treasures
you seek"

Silver and gold, young hearts, old souls

This is the death of the subconscious you knew

Follow the inner voice, follow the truth

Forever we are bound to this burial ground

Unless we let the light shine through

Reborn

My heart it no longer weeps

Reborn

I've got the love that I need

Stop wasting your time waiting on misery

I'm reborn eternally

When you look in the mirror

Are you proud of what you see?

When you look in the mirror

Are you the person you thought you'd be?

"The cave you're afraid to enter holds the treasures
you seek"

Your flesh, my bones, young hearts, old souls

"The cave you're afraid to enter holds the treasures
you seek"

Silver and gold, young hearts, old souls

Your flesh, my bones, young hearts, old souls
