

You're Cute When You Scream

Senses Fail

(Fuck with my heart)
I'll teach you what it's like.
(To be so used)
That you'll have to clean.
That dirt stuck in
Your plastic finger nails.
And just the scent of you is enough
(To make me sick)

And all I know is revenge is sweet when...

You know that you are worthless
And I am better than
The games that you play princess.
(I've played) and always win.

(I'll take my time)
To slowly plot your end.
(But now I will)
Spit bullets with my pen.

And all I know is you're cute when you scream.

You know that you are worthless
And I am better than
The games that you play princess.
(I've played) and always win.

I'll take you to the top,
Of this building and just push you off.
Run down the stairs so I can see your face
As you hit the street,
the street, the street, the street.

You know that you are worthless
And I am better than
The games that you play princess.
(I've played) and always win.

(This time I win. So here's your kiss goodbye.)
