

## I Am

Sent By Ravens

you passed right through me...  
voices that flow with passion and understanding..  
as my feelings get stronger..and stronger...  
starring up in amazement..  
12 summers before i saw the true foundations...  
and i defended you..and i still defend you  
come back..i've always known you're near..  
come back...and the wind tells me its soon
