

# Disengagement

Sentenced

Darkness fills the life  
Covers the tired mind  
like the darkest damnation  
anxiety, oppression

a wounded soul  
manages to escape  
from exhausted body,  
from the bleeding prison  
disengagement, dark visions,  
forgotten personality

feeling of loss  
nocturnal suffocation  
tears like blood  
stench of decayed

alone...  
without a body  
life...  
is turned to hell

living in emptiness  
torture of the timeless  
into the black pieces  
of total chaos and sorrow

No blessing  
no chances to survive  
leads the way  
to infernal death  
disengagement, dark visions  
forgotten personalities
