Drain Me

Sentenced

Always pretending to want you It's so easy to make you play my game Always deceiving to get you So goddamn easy to make you scream my name No remorse, no repent Still to you I'm heaven sent

I don't need a reason to hate you I don't need a reason to break you Just keep that mouth wide open And drain me, my darling, drain me, my darling! I don't need a care if you want me I don't need a care if you need me Just break that pink wide smile And drain me, my darling, drain me my darling!

For so many years I've been faking It's so hard to keep lying, smiling in vain For so many years I've been taking innocent soil, hey baby, loss is my game No remorse, no repent Still to you I'm heaven sent

I don't need a reason to hate you I don't need a reason to break you Just keep that mouth wide open Drain me, my darling, drain me, my darling! I don't need a care if you want me I don't need a care if you need me Just break that pink wide smile And drain me, my darling, drain me, my darling!

No remorse no repent Still to you I'm heaven sent

I don't need a reason to hate you I don't need a reason to break you Just keep that mouth wide open And drain me, my darling, drain me, my darling! I don't need a care if you want me I don't need a care if you need me Just break that pink wide smile And drain me, my darling, drain me, my darling!

Just keep that mouth wide open And drain me, my darling, drain me, my darling!
