

Noose

Sentenced

Yeah! Yeah!

No way out of your misery
Alone in pain and agony
Lay depressed and hollow
One thought in your mind - no tomorrow

And then you had made up your mind
And thought it was your time

You left this world without shedding
A tear without hope, without fear, so...

You thought you'd just put your head into the Noose
And let it all go
And so you did
Oh yeah, you did

Now you come haunting every night
Calling my name until I...
Wake up feeling this sorrow
One thought in my mind - I will follow

I'll drink the booze to depress myself
Then I take the rope and express myself

I'll leave this world without shedding
A tear without hope, without fear

I think I'll just put my head into the Noose
And let it all go
And so I will

I think I'll just put my head into the Noose
And let it all go
And so I will
Oh yeah, I will

I'll take the rope, just like you
And wherever you are, I'll be too

I think I'll just put my head into the Noose
And let it all go
And so I will

I think I'll just put my head into the Noose
And let it all go
And so I will
Oh yeah, I will
