

## Warrior of Life (Reaper Redeemer)

Sentenced

All these years I've spent fighting the fight  
Winning my war, showing my might  
It was clear to me all the time...  
- There's no battle like that of life  
Give me War!  
I will give you Hell!  
I'm the Warrior of Life, I know the Reaper by name  
I was born one foot in grave  
I'm the Warrior of Life and my blood's running cold  
I see pain wherever I go  
I've stood up everyone and everything  
And walked against the wind  
So it is and so it will be  
It is the only way... for me  
Give me War!  
I will give you Hell!  
I'm the Warrior of Life, I know the Reaper by name  
I was born one foot in grave  
I'm the Warrior of Life and my blood's running cold  
I see pain wherever I go (2x)
