

Because I Love You

September

I love you (2x)

You say that you love me
We both know you don't mean it every day
But somehow you got me
So I'll put up with anything you say

Because I love you (2x)

I'd rather be with you whenever
Than without you all the time
And I will forgive you whatever
Just to say that you are mine

Because I love you (4x)

I love you, do you love me
When tomorrow comes I guess we'll see
When I push in, you pull out
But you still need me

Yes, I do,
Yes, I do,
Yes, I do now...

Because I love you...
