

Same Old Song

September

Na-na-na-na-na-na
Na-na-na-na-na-na

All I wanna hear is the same old song

I say, let's be easy
Lose your seriousness
Got nothin' to hide
Get rid of the pride
And this is my dream
Don't care if you're judgin' me
I know what I like
I want it all of the time

(Yea, all I wanna hear is the same old song)
(Playin' all night long, playin' on and on)

All I wanna hear is the same old song
Playin' all night long, playin' on and on
All I wanna sing is the same old song
Sing it all night long, sing it on and on

You can call it naive
Superficiality
It isn't a crime
to have a really good time
And I don't worry
'Bout the things I never see
I'd rather be blind
Than be out of my mind

(Yea, all I wanna hear is the same old song)
(Playin' all night long, playin' on and on)

All I wanna hear is the same old song
Playin' all night long, playin' on and on
All I wanna sing is the same old song
Sing it all night long, sing it on and on

(Yea, all I wanna hear is the same old song)
(Playin' all night long, playin' on and on)
(Yea, all I wanna sing is the same old song)
(Sing it all night long, sing it on and on)

All I wanna hear is the same old song
Playin' all night long, playin' on and on
All I wanna sing is the same old song
Sing it all night long, sing it on and on]
