

# We Can Do It

September

Searching for a reason  
I'm livin in the raceland  
Of loneliness and threesome  
Like swimming down in kvicksand

But baby with you I would like to go  
Where no ones ever gone  
And baby with you I would like to do  
What no ones ever done

Baby we can do it, take chans  
Do it right, we can do it baby  
Do it tonight  
Baby we can do it  
Take a chans, do it right  
We can do it baby  
Do it tonight (we can do it baby, baby, baby. baby....)  
Do it tonight (we can do it baby, baby, baby. baby....)

I have every reason  
To live the dream inside me  
I'm getting up and leavin  
I want you right behind me

Cause baby with you I would like to go  
Where no ones ever gone  
And baby with you i would like to do  
What no ones ever done

Baby we can do it, take chans  
Do it right, we can do it baby  
Do it tonight  
Baby we can do it  
Take a chans, do it right  
We can do it baby  
Do it tonight (we can do it baby, baby, baby. baby....)  
Do it tonight (we can do it baby, baby, baby. baby....)  
(you can do it baby)

But baby with you i would like to go  
Where no ones ever gone  
And baby with you i would like to do  
What no ones ever done

Baby we can do it, take chans  
Do it right, we can do it baby  
Do it tonight  
Baby we can do it  
Take a chans, do it right  
We can do it baby  
Do it tonight  
Baby we can do it, take chans  
Do it right, we can do it baby  
Do it tonight  
Baby we can do it, take chans  
Do it right, we can do it baby  
Do it tonight
