

## DNA

### Septic Flesh

Messenger of generations, I can change you, you can change me.  
Following your winding staircase, doors are opened, doors are  
closed behind.

Codes are broken, we can re-program.  
Dark New Age  
Protein synthesis, replication, cell repairing.  
Dark New Age  
We are blessed with the Midas touch.  
Dark New Age  
We are golden, we are sulphur, we are water.
