

Revolution

Septic Flesh

We escaped the domination. We unlocked the nucleonic chains.
Genetic interference. Eliminating the lethal chromosomes.

Biotechnology is our weapon. No pen, no sword can stop the blow
.

Time for revolution, the instruments have changed.
Plain Re-evolution in a scale so deep, so strange.

As acrobats we are walking balancing on a magic rope.

Time for revolution, the instruments have changed.
Plain Re-evolution in a scale so deep, so strange.
