

# Choke

## Sepultura

Pray for another life  
Pay, regain your pride

See your brain / Choke  
Watch it drain / Choke  
See your greed / Choke  
Watch it breed / Choke

Fake, you're falling down  
Choke, your neck is broken

See your brain / Choke  
Watch it drain / Choke  
See your greed / Choke  
Watch it breed / Choke

Victim in conflict, the ambush of fear  
My doubt, my limit, the pulse of my war

See your brain / Choke  
Watch it drain / Choke  
See your greed / Choke  
Watch it breed / Choke
