

You know what? Of course I have my doubts.  
It's darker times and I cant always know ahead.  
So What are you going to do about it?  
What can be done to resolve the situation?

Spit at what you don't like  
Taste the bitter reactions  
Forcefeed the weight of the progress  
Lead by the will of your might

You cant block out the sun  
Won't block out the sun - No!

It feels like everyone's eyes are on you.  
I can't be the enemy of myself.  
Everyone gets knocked down at some point in life, but  
It's how you deal with it to get back up.

I can't live without nothing  
Must have guidance and focus  
Cast out all the suffering  
Hope thrives only when active

You can't block out the sun  
Won't block out the sun - no!
