

Embrace the Storm

Sepultura

Forget the mistakes, and inspire the will.
A thought can conceive, make destinies choice.

Embrace the storm.
Live or die.
Embrace the storm.

The change is vital, to keep up the growth.
Unbinding secrets, submitting to chance.

Embrace the storm.
Live or die.
Embrace the storm.

Can't deny, won't define me.
Can't define, can't deny me.

Embrace the storm.
Live or die.
Embrace the storm.
