

Endangered Species

Sepultura

Life !!
The struggle to survive
Crawling, ragin
Feed the hate inside

Are we going to see another day ?
Are we going to make it all the way ?
Are we going to see the light of day ?
Are we going to make it till the end ?

Rise !!
Bad moon rise
Another war, another crime
End in sight

Bleak !!
Why & what the fuck !?!
Shut your mouth, shut your mind, this the way
You're just another prey

Is that what we've became ??

RISE ! (8x)

Are we going to see another day ?
Are we going to make it all the way ?
Are we going to see the light of day ?
Are we going to make it till the end ?

Endangered Species (3x)
Is that what we've became ??
