

# Inhuman Nature

Sepultura

I!

Poisoned Hearts, Poisoned Minds  
Join In Hate  
We're Like Machines  
Dead, Do Not Create  
Sitting Docile  
While All around is Rot  
We Point Fingers  
But Destruction Never Stops

Can You Stop It?  
Do You Want To?

We Poison The Planet  
Cities Contaminated With Acid Rain  
We Poison Our Bodies To Alleviate The Pain  
Of What We Do To Each Other  
And What's Done To Us  
And There Are TV-screens  
Sowing The Seeds Of Distrust

Can You Stop It?  
Do You Want To?

Can You Stop It?  
Do You Want To?

Poisoned Hearts, Poisoned Minds  
Join In Hate  
We're Like Machines  
Dead, Do Not Create  
Sitting Docile  
While All around is Rot  
We Point Fingers  
But Destruction Never Stops

Can You Stop It?  
Do You Want To?

They Call It Human Nature  
But Is This humane?  
Hurting Each Other  
Then Again And Again  
How Can We Look At Ourselves  
After What We've Done  
Stop Looking Out For Yourself  
Look Out For Everyone

Can You Stop It?  
Do You Want To?  
No!
