

Just One Fix

Sepultura

Blood keeps drinking away
Certain of it's destination
Driving through new orleans at night
Gotta find a destination

Just one fix

Life keeps slipping away
Fighting in a war with damnation
Poised, keep cutting away
I'm looking in through to salvation

Just one fix

Like if I boarded a train
Trying to take in another station
Join us and the choice will be made
Unless we kill the lie as a nation

Just one fix
